Fuel Type: **Petrol**

Transmission: **Manual**

Engine Capacity: **1,798 cc**

BHP: **92 bhp**

Body Type: **Convertible**

Doors: **2**

Colour: **RED**

Description

Here we have a very usable classic MGB Roadster which was built between the 15th and 19th October 1964 and was despatched on the 6th November 1964 to Haslemere Motors Limited in Guildford. We have the original Registration Document which shows 8 former keepers, most of them living in the Guildford area. The current owner's father bought the MGB in 1980 where it remained in his garage, unused, until in 2005 when it was transported to Mike Rolls Services who restored it to its former glory. We have complete photographic evidence of what was done plus invoices for all the parts used. The car is finished in Tartan Red with Red Leather interior. Part of the character of this car is it still has the original red leather seats, although worn, do not look out of place with the rest of the car. Since its restoration it has only covered 1984 miles!! In this time it has been serviced 4 times as well as recently having a new starter motor fitted. The car is ULEZ compliant!!!
